

Welcome to The FKB Nation! I am extremely excited that you have shared this vision that has been realized over the last 5 years. FKB, which stands for Father Knows Best, has been a life changing retreat where fathers and sons, mentors and mentees from all across the world have been bonding, growing, learning and laughing through workshops and playing basketball together with me, my father, my son (Allan III), and other friends who have a passion for serious fatherhood and responsible male leadership.

Father Knows Best earned its title because we ALL have a Heavenly Father who loves us and leads us into the powerful destiny for which He has called us. In doing this, He also teaches us how to be good fathers to our children, loving husbands and supporters to their mothers.

FKB Nation is a one-of-a-kind Internet networking opportunity for all of the FKB family both past and future. Through this online community, we hope to provide a platform for us to fellowship by sharing thoughts, experiences, stories, videos, and more to further enhance the FKB experience. Every summer approximately 200 new members join the FKB family at our retreat. One of our challenges has been keeping up with our family members and everyone staying connected. We hope this platform will provide an interchange of helpful resources and information as well as a place to stay connected with our FKB family.

I believe we are in the most critical time in history for our fathers and father-figures to step into our designated roles as examples of true manhood. We MUST have an urgency about our actions as we lead our next generation. The first way we do this is by prayer. Job frequently rose early in the morning and pleaded to God on behalf of his family (Job 1:5).

1 Peter 2:9 says 'We are a **chosen generation, a royal priesthood, a holy nation**' ...FKB NATION!!

Thanks for joining us!

Blessings,

Allan Houston

Father in Heaven,

Thank you for your calling on our lives. Thank you for trusting us with the responsibility of watching over our families, mentees, and communities. Thank you for your mercy over our mistakes in our leadership. Thank you for your grace in showing us how to be better men, love properly, forgive frequently, work diligently, and speak wisely, and walk with integrity. When we feel like we're not good enough, help us to realize that you are perfect, and we don't have to be you, but just serve you. Help us continue to be obedient to your Word, so we can experience the blessings you have prepared for us.

Thank you for the relationship you have allowed your children to have with you through Your Son, Jesus Christ.
